

Magazine Shelves

A AR1

This module is an excellent space-saving solution and offers a flexible display. Particularly on sloping shelves you can easily display additional glass es — it couldn't be easier. Comes with four shelves and hardware

17³/₄" (L) x 17³/₄" (W) x 74" (H)

B AR2

Just like her sister AR1, this modular display has the same space saving and aesthetically pleasing attributes, however shelves are not sloped in this model and the shelves do not have stoppers. Comes with four shelves and hardware. Additional shelves can be purchased and installed at an extra charge.
