# Kids Panel

Children love bright and varied colors, combined with simple shapes. Acrylic panels, printed with large lettering and or shapes in bright colors, make trying on shoes a fun adventure for the whole family, not just for the children. The acrylic panels, with a frosted white background and themes for children of kindergarten and elementary school age, are available as a junior version, with a height of 55 3/8" and three different widths. All hardware is included with the purchase. Choose from White, Yellow, Blue, Green and Red for the wooden back Panel color (shown in white below).

**Pins & Nuts**  
 Made of nickel-plated steel, threaded at the ends and secured with our uniquely designed metallic hat shaped nuts. Included with the purchase of the panel. (#DC.031.PG) Length: 3.5"
